

## English

We are going to be continuing to learn how to write a sentence and how to improve our sentences by using conjunctions and adjectives.

## Computing

Along with safety when using technology, the children will have opportunities for digital writing, digital painting and creating algorithms.

## PSHE

Our themes this term are all about 'Being My Best' and 'Rights and Respect'.

## One World

Our focus stories are 'Ten Little Pirates' and 'That's not how you do it!'

## Walk like an Egyptian

## Philosophy

We will be discussing the book 'Not now, Bernard!'.

## Maths

By the end of this term we will be recognising and writing numbers up to 50, understanding the value of numbers to 50, adding and subtracting plus taking measurements too.

## Journey of Discovery

During this journey we will be learning where Egypt is and what it is like there before delving back into the past to learn about the Ancient Egyptians. We will explore artefacts, find out what it was like to be an Egyptian and why the pyramids were built. We will be looking at clothing, writing and food of the time, understanding the importance of timelines and how hierarchies played a big part in society. We will listen to Egyptian music and play instruments to create moments in history. The children will create some beautiful Egyptian collages, charcoal hieroglyphs and moving pyramid pictures.

## PE

We will be learning all about 'Jumps' on Tuesdays and 'Shapes' in Gymnastics on a Friday.

## Science

We will be exploring everyday materials, naming parts of the body and understanding our senses.

## Phonics

We will continue learning our digraphs and that there is more than one way to make the same sound!
